

TGC COLLABORATOR WEBSITE TERMS & CONDITIONS

For online registration and click-to-accept use

Important: These Terms apply to Event Collaborators of **The Golden Circle ("TGC")**, a brand and community initiative owned and operated by **LBB Lives Beyond Boundaries Private Limited ("LBB")**. TGC is not a separate legal entity. By registering, making payment and/or clicking **"I Agree"**, you accept these Terms.

1. Registration and approval

- You may register as a Collaborator for your own business/event operations or for an entity you are duly authorised to represent.
- LBB/TGC may approve, reject, defer or seek additional information regarding any application.
- Approval as a Collaborator does not automatically mean that every event submitted by you will be approved.

2. Fee, term and renewal

- The Collaboration Fee is **INR 1,999 per month**, plus GST or other taxes if legally applicable.
- Each Collaboration Term is ordinarily **one month from activation**, renewable month-to-month subject to payment and continued approval.
- The fee includes applicable Wednesday/Sunday promotional-posting privileges. No separate Promotional Member fee is payable during an active Collaboration Term.
- Once activated, the fee is generally non-refundable.

3. Onboarding and verification

- You must provide accurate business, identity, contact, licence and other information reasonably requested by TGC.
- TGC may conduct reasonable identity, business, reputation, licensing and community-suitability checks.
- Normal onboarding may take approximately **7-10 business days** after complete information is received.
- Dashboard/login credentials, if issued, are confidential and non-transferable.

4. Event submission and approval

Each proposed event must provide complete details including its name, date, time, venue, ticket price, category, organiser details, booking method, refund conditions, age restrictions and promotional material.

- An event is approved only when TGC expressly confirms its approval.
- Submission or discussion of an event does not constitute approval.
- TGC may approve, reject, modify, defer or withdraw approval for legal, safety, operational, community or reputational reasons.
- Event Approval only permits listing/promotion and does **not** amount to endorsement, certification, legal clearance or assumption of responsibility by LBB/TGC.

5. Collaborator benefits

During an active Collaboration Term, subject to approval and scheduling, the Collaborator may receive:

- Golden List status;
- Collaborator ID/Dashboard access;
- website/event listing;
- TGC community promotion;
- Wednesday and Sunday promotional-posting privileges; and
- up to **one standard social-media package comprising one Reel, one Feed Post and one Story per monthly term.**

Additional promotional packages require separate approval and may be chargeable.

TGC retains editorial and operational control over promotional timing, placement and format.

6. Promotional content

- Promotional content should ordinarily be submitted on **1st and 15th of every month for publication or as prescribed.**
- Only approved content may be posted.
- Any material change in price, offer, images, links or event details may require fresh approval.
- Content must be truthful, lawful, respectful and not misleading.
- TGC may reject or remove deceptive advertising, false urgency, unsupported claims or unsuitable content.

7. Event standards and regulated categories

Events must be lawful, respectful, safe and reasonably consistent with TGC's positive and community-oriented character.

TGC may require additional licences, disclaimers, documents, approvals or insurance for sensitive categories including healthcare, finance, alcohol, gaming, minors, high-risk activities and regulated professional services.

8. No guarantee of results

TGC provides promotional and community visibility only.

TGC does **not guarantee** reach, views, enquiries, attendance, bookings, ticket sales, revenue, profitability or any particular commercial outcome.

9. Ticket price and material changes

- The final ticket price must be confirmed before promotion begins.
- Ticket price, venue, date, timing, principal performers/speakers, important inclusions or other material event details must not be changed after approval without TGC's prior approval.
- Undisclosed material changes or deliberate price manipulation may result in suspension or removal.

10. Revenue share

Unless a different rate is expressly confirmed for a particular event:

- LBB shall receive **15% of Net Ticket Revenue from TGC-Attributed Sales**.
- Net Ticket Revenue means ticket consideration actually received after applicable indirect taxes, genuine refunds, chargebacks and payment reversals.
- A sale will be TGC-attributed where reasonable records show that TGC materially generated the enquiry or booking, including through referral links, coupon codes, Dashboard records, administrator referrals or documented TGC-originated enquiries.
- Mere membership of the purchaser in TGC does not by itself make a sale TGC-attributed.
- Unless otherwise agreed, a documented TGC-originated enquiry may remain attributable for **30 days or until the relevant event, whichever is earlier**.

11. No circumvention

You must not deliberately redirect a TGC-originated enquiry to cash, WhatsApp, another booking link, payment route or entity for the purpose of avoiding the agreed revenue share.

Where reasonable records establish that the booking resulted from a TGC-originated enquiry, the revenue share remains payable irrespective of the eventual payment method.

12. Records and settlement

- You must maintain accurate booking and settlement records and provide relevant records when reasonably requested for revenue-share verification.
- Unless otherwise agreed, the final settlement statement and applicable revenue share should ordinarily be provided/paid within **7 business days after the event**.
- Genuine subsequent refunds or chargebacks may be reasonably adjusted.
- TGC may suspend promotional benefits while undisputed payments remain overdue.

13. Collaborator's responsibility

The Collaborator remains the **sole principal organiser and service provider** for every event and is responsible for:

- event delivery and quality;
- venue, staff, vendors and performers;
- ticketing and payments;
- customer service, cancellations and refunds;
- licences, permissions and regulatory approvals;
- security, crowd management and safety;
- advertised prices, inclusions and commitments; and
- compliance with applicable laws.

LBB/TGC is not the organiser, venue operator, insurer, employer, guarantor or service provider of the event.

14. Licences, safety and third parties

The Collaborator must obtain all applicable licences, permissions, NOCs and approvals, including venue, municipal, police, fire, music, food, liquor, entertainment or sector-specific permissions where required.

TGC may require proof of licences or appropriate insurance for higher-risk events.

Any venue, caterer, performer, photographer, security agency, contractor or other third party engaged by the Collaborator remains the Collaborator's responsibility.

15. Cancellation and refunds

- The Collaborator must promptly inform TGC of cancellation, postponement, rescheduling or material disruption.
- The Collaborator remains responsible for attendee communications, complaints and legally required refunds.
- LBB is not responsible for attendee refunds unless it expressly collected the relevant ticket amount under a separate arrangement.
- Cancellation or commercial failure of an event does not ordinarily create a refund right for the Collaboration Fee.

16. Intellectual property and branding

- You retain ownership of content and branding that you independently own.
- By submitting content, you permit LBB/TGC to use, resize, format, display and publish it for event listing, community communication and promotion.
- You confirm that all necessary rights, licences and consents for images, videos, music, performers, testimonials and other submitted material have been obtained.
- TGC/LBB names, logos, badges and branding remain the property of LBB or the relevant rights holder.

- You must not imply that TGC organises, certifies or guarantees your event.
- Any permitted TGC branding must stop upon expiry, suspension or termination.

17. Member data and privacy

You must not scrape, sell, bulk-message or misuse TGC member information or add members to marketing/WhatsApp lists without lawful consent.

Member information received for an event enquiry or booking may be used only for legitimate event-related purposes and in accordance with applicable data-protection law.

18. Complaints, suspension and termination

TGC may remove content, suspend Event Approval, disable Dashboard access or stop promotional benefits where there is:

- suspected fraud or illegality;
- serious safety or regulatory concern;
- misleading information;
- material complaints;
- non-payment;
- member-data misuse;
- unauthorised TGC branding;
- intellectual-property concerns;
- deliberate revenue-share avoidance; or
- serious community or reputational risk.

Immediate action may be taken without prior notice where reasonably necessary.

Either party may ordinarily terminate the collaboration on **7 days' written notice**. LBB may terminate immediately for material breach, fraud, illegality, serious safety/regulatory concerns or deliberate misuse.

Accrued payment, revenue-share, refund and other obligations relating to Approved Events survive termination where applicable.

19. Independent relationship and liability

The Collaborator is an independent party. Nothing creates a partnership, joint venture, employment, franchise or agency relationship, and the Collaborator has no authority to bind LBB/TGC.

Every ticket purchase or booking is ordinarily a transaction between the Collaborator and the attendee.

To the maximum extent permitted by law:

- LBB/TGC is not liable for indirect or consequential commercial loss, loss of profits, revenue, goodwill or expected business;

- LBB is not responsible for acts of attendees, venues, vendors, performers, booking/payment platforms or public authorities;
- LBB's aggregate monetary liability for a Collaboration Term shall not exceed the Collaboration Fee actually received for that term, except where liability cannot legally be limited; and
- the Collaborator remains responsible for and shall indemnify LBB against third-party claims arising from its event, regulatory failures, consumer claims, injury, privacy breach, intellectual-property infringement, unlawful advertising or breach of these Terms.

20. Disputes and general terms

- These Terms are governed by the **laws of India**.
- Any dispute should first be notified to LBB in writing and the parties shall attempt amicable resolution.
- If unresolved within **15 days**, the dispute shall be referred to arbitration under the **Arbitration and Conciliation Act, 1996**, as amended.
- Arbitration shall be conducted by a sole arbitrator. The **seat and venue shall be New Delhi**, and proceedings shall be in English.
- Courts at **New Delhi, Delhi** shall have jurisdiction, subject to applicable law and the arbitration clause.
- TGC may update operational or community rules from time to time. Material commercial changes will ordinarily apply from the next renewal unless an earlier change is required by law, safety or platform requirements.

21. Electronic acceptance

By clicking “**I Agree**”, making payment or activating your Collaborator account, you confirm that:

- the information provided by you is true;
- you are authorised to accept these Terms;
- you understand that each event requires TGC approval;
- you accept the applicable fee and revenue-share arrangement; and
- you agree to be legally bound by these Terms electronically.

LBB may retain reasonable electronic records of your identity/account, Collaborator ID, payment, date and time of acceptance, device/login information and the version of Terms accepted.
